If I had to live my life without you near me
If the road ahead is not so easy
The days would all be empty
Our love will lead a way for us
The nights would seem so long
Just like a guiding star

With you I see forever oh so clearly
I'll be there for you if you should need me
I might have been in love before
You don't have to change a thing
But it never felt this strong
I love you just the way you are

I'll help you see forever too
Hold me now
Hold me now
touch me now
touch me now
I don't want to live without you
I don't want to live without you
